

PRIVACY POLICY

Cookies Are In Use on This Site

Cookies and how they Benefit You

Our website uses cookies, as almost all websites do, to help provide you with the best experience we can.

Cookies are small text files that are placed on your computer or mobile phone when you browse sites.

Our cookies help us:

- Make our website work as you'd expect
- Save you having to login every time you visit the site
- Remember your settings during and between visits
- Improve the speed/security of the site
- Allow you to share pages with social networks like Facebook
- Continuously improve our website for you

We do not use cookies to:

- Collect any personally identifiable information
- Collect any sensitive information
- Pass data to advertising networks
- Pass personally identifiable data to third parties

You can learn more about the cookies we use below

Granting us permission to use cookies

If the settings on your software that you are using to view this website (your browser) are adjusted to accept cookies we take this, and your continued use of our website to mean that you are fine with this. Should you wish to remove or not use cookies from our site you can learn how to do this below, however doing so will likely mean that our site will not work as you would expect.

More about our Cookies

Website Function Cookies

Our own cookies

We use cookies to make our website work including:

- Determining if you are logged in
- Remembering your search settings
- Remembering your preferences such as text size

There is no way to prevent these cookies being set other than to not use our site.

Third party functions

Our site, like most websites, includes functionality provided by third parties. A common example is an embedded YouTube video. Disabling these cookies will likely break the functions by these third parties.

Social Media Cookies

So you can easily “Like” or share our content on likes of Facebook and Twitter we have included sharing buttons on our site.

The privacy implications on this will vary from social network to social network and will be dependent on the privacy settings you have chosen on these networks.

Anonymous Visitor Statistics Cookies

We use cookies to compile visitor statistics such as how many people have visited our website, how long they spend on the site, and the country they live in. These so called analytics helps us to continually improve our website including the information we provide.

Turning Cookies off

You can usually switch cookies off by adjusting your browser settings to stop it from accepting cookies. Doing so however will likely limit the functionality of ours and a large proportion of the world’s websites as cookies are a standard part of most modern websites
